

CHAMPLAIN CARDIOVASCULAR DISEASE PREVENTION NETWORK OPERATING PLAN 2010-12

The Champlain Cardiovascular Disease (CVD) Prevention Strategy was renewed in 2009-10. As was identified at the outset of our work, the Strategy will remain focused on the implementation of large-scale initiatives which model best practice in CVD prevention and demonstrate impact on the cardiovascular health of Champlain residents.

Strategic Areas of Focus	2010 Operating Plan Targets
Strengthen Integration between Primary Care, Specialty Care & Public Health (IDOCC)	<ul style="list-style-type: none"> • Complete follow-up evaluation of Phase 2 and 3 of the IDOCC program • Develop sustainability plan for IDOCC network of practices with focus on hypertension, diabetes, and smoking cessation
